

# IT'S BACK TO SCHOOL GETTING READY AS A FAMILY

PRESENTED BY DAVID PARENTI, LMFT

With the school year can come headaches: a battle of wills to get the kids up in the morning, pressure to boost those grades, and attempts to encourage good behavior in the classroom. Join us to discuss ways to make the process less stressful for both you and your children – and more focused on learning and fun. Content of the presentation will be tailored to YOUR needs! We encourage you to prepare any questions or concerns that may be specific to your family. Let's make back to school time less exhausting and more exciting!
